

## A Faithful Dad's Legacy Challenge

**Leaving a lasting legacy eternally impacts generations to come.**

I commit this day to taking on A Faithful Dad's Legacy Challenge:

1. In what ways have you tried to build a legacy that seemed worthwhile, but ultimately could not stand the test of time? Now, ask God to open your eyes to the legacy He desires for you.
2. Honestly answer the big question, "What legacy do I want to leave for my family?" Now, share it with your family.
3. Commit to memory 1 Corinthians 11:1 (NIV), "Follow my example, as I follow the example of Christ." Share it aloud with your family and encourage them to memorize it as well.
4. Praise God, our Faithful Father, for the opportunity to model your own fatherhood after His perfect example. Now, pray this prayer with your family.\*
5. If there is a need, pray now that God would soften your heart towards your dad.\*  
OR  
If you have/had a good relationship with your dad, simply thank God for this amazing blessing, and then ask God to please heal those families who don't have such a relationship.\*
6. If there is a need, forgive your dad, remembering God forgives us.\*  
OR  
If there is/was a spirit of forgiveness between you and your dad simply praise God for this blessing.\*
7. If a need exists, reconcile with your father if possible, remembering God has reconciled with His children.  
OR  
If you and your father have already reconciled, ask God to help others fathers and sons reconcile.
8. If possible, contact your dad in whatever method you feel most comfortable with (written letter, phone call, text, meet for breakfast, etc.) and thank him.  
OR  
If not possible, write a thank you letter to your dad and share it with your family.
9. Consider: What change(s) do you need to make to better live for God? Start today!
10. Consider: What change(s) do you need to make to better live for others, especially your family? Start today!
11. How does Jesus' supreme example of living for God and living for others impact your view of your own lasting legacy?
12. What vulnerable act of service is God calling you to perform? Now, serve outside your comfort zone.
